

*Not the power to conquer others
But the power
To become one with others
Is the ultimate power.*

*Perfect happiness is
Enthusiasm minus expectation.*

*The secrets
Of the inner heights
Dwell far beyond
The territories of the mind.*

*If you do the right thing,
Eventually you will inspire others
To do the right thing.*

*Always remember the joy you get
When you do the right thing.
This joy will give you
The inspiration, aspiration
And determination
To continue doing the right thing.*

*The beauty
Of a simplicity-life
And the beauty
Of a self-giving heart
Have no equal.*

*To like your mind
Is the first step.
To love your heart
Is the second step.
To go beyond yourself
Is the third and last step.*

*Beauty
Is my heart's
Mind-transcendence-hope.*

*Be not afraid
Of destructive actions
of others.
But be afraid
Of your own reaction to
them.*

*Only beauty within
Can appreciate
beauty without.*

*Our expectation-
beauty wanes,
Yet we cannot and
do not stop
expecting.*

*If you give from your heart,
Then your offering will be
Not only unimaginable
But also undisputable.*

*If progress in one field is obstructed,
Go another way.
There are so many ways open to you
If you look within.
Only do not give up
The idea of progress.*

*If you wait for the approval
Of your friends
In everything that you do,
You are not going to succeed at all
In this lifetime
In anything.*

*I am supremely beautiful
Only when I become
The fulness of my soul.*

*Each good, pure
And useful thought
Is a solid power
For our daily use.*

*To radiate beauty,
Abundant and infinite beauty
I do not need an all knowing mind
But I do need an all loving heart.*
