

Our Quality for the month

March 2016

## ~ SHARING ~

*When we meditate, we readily share our joy-fruits with humanity.*

**H**appiness shared is  
maximised.  
**S**adness shared is  
minimised.

~

**S**incerity is pure  
When we share.  
**H**umility is bright  
When we share.  
**P**urity is perfect  
When we share.

~

**O**nly when we aspire  
can we share God.

~

**M**y heart shares joys  
To enjoy joy To the  
fullest.

~

**L**earn sleeplessly;  
Share your learning  
unreservedly With  
the rest of the world.

~

**L**et it be our choice  
to share God's Love  
with all.

~

**A**nthing divine That  
is shared Is  
immediately  
doubled.

~

**M**y life is open For  
God to share. My  
soul is open For  
Heaven to share. My  
God is open For the  
world to share.

~

**I**n the morning God  
shares His Breath  
With me. In the  
evening I share my  
dreams With God.

~

**T**ruth wants to share  
with others what it  
has. Love wants to  
share with others  
what it is.

~

**I**f we please God, He  
easily shares with  
us His sacred  
Secrets.

~

**I**magine the whole  
world could share in  
goodwill.

~

**E**very evening My soul  
and my heart Share  
their dreams.

~

**T**he soul shares its  
secrets Only with the  
heart, And not with  
the mind, The vital  
and the body.

~

**M**ine is the heart That  
houses faith To share  
with The rest of the  
world.

~

**I** implore matter To  
care for me. I implore  
Spirit To share with  
me.

~

**A**nthing worth  
having Is worth  
sharing As well.

~

**God** tells us not only  
To share our smiles,  
But also to care  
for Others' tears.

~

**Perfect** teaching Is  
nothing other than  
Sharing with others  
The knowledge That  
we claim as our own.

~

**God** will share His  
Divinity with you If  
you are sincerely sick  
Of your mind's  
stupidity.

~

**My** Lord Supreme  
has given me Not  
only the capacity But  
also the opportunity  
To share with  
humanity My  
meditation-acquired  
bliss.

~

**Do** not keep your  
dreams Inside your  
heart-pocket. Bring  
them out and share  
them With the rest  
of the world.

~

**Life** is too short not  
to care. Life is too  
short not to **share**.  
Life is too short not  
to be fair.

~

**All** our heart-  
treasures We must  
share.

~

**God** is extremely  
eager To share with  
His Unconditionally  
surrendered seekers  
All His Heart-Secrets.

~

**God** wants me to  
share with the  
world The  
Forgiveness-  
Gift That He has  
blessed me with.

~

The heart has Many  
special qualities. Two  
are uppermost: It  
knows how to care; It  
knows how to share.

~

**Whatever** you give,  
You must remember  
That it is all  
coming From God,  
To share with  
humanity.

~

**Anything** that is given  
by man, Handle with  
care. Anything that is  
given by God,  
Universally share.

~

**This** world is bound to  
succeed If all human  
beings Share their  
God-manifestation-  
enthusiasm.

~

**Peace** Is in inner  
awakening, And this  
inner awakening We  
must share With the  
rest of the world.

~

The golden light Of my  
soul-divinity's silence  
Creates a new life For  
me to share With the  
world at large.

~

**God** gives us His Peace  
In boundless measure  
Only on one  
condition: That we  
agree to share His  
Peace With the  
world And not sell it  
to the world.
