

Our Quality for the month February 2017:

PROMISE

*Each human being has to be reminded of his solemn promise to God,
and that promise is to cultivate a world-silence-peace-garden.*

If your brave promise is
broken, Then be prepared to
make A braver promise To
arrive at perfection.

~

Better to have excellent
promises, Whether they are
fulfilled or unfulfilled, than to
have no promise at all.

~

You may not fulfil your
promise to God,
but God is determined to fulfil
all His inner and outer
promises to you.

~

My mind and vital promise me
A life of excitement. My soul
and heart promise me A life of
enlightenment.

~

May my powerful promises Be
fruitful.

~

Each unfulfilled hope Of
humanity Is an unmanifested
promise Of divinity.

~

A heart of love And A soul of
promise: Definitely A winning
combination.

~

A birthday is a hope-nourishing
and a promise-fulfilling day.

~

Each smiling child Is God's new
satisfaction-promise on earth.

~

The fragrance Of my soul's
promise is sweet.

~

Hope-light grows From
promise-power. Fulfilment-
delight glows In promise-
power.

~

Every day, May my heart be A
new rainbow-promise and
New God-manifestation-
promise To God.

~

The Supreme breaks His
Promises only for our good,
And not because He is unable
to keep His Promises.

~

Every day Brings a new
promise. What is that
promise? God-satisfaction In
God's own Way.

~

Your gratitude-heart Is a great
tribute To God's Perfection-
Promise.

~

Each promise-moment Is the
beginning Of a new creation.

~

It is our psychic promises
That are eventually fulfilled.
Our mental promises,
Emotional promises
And all other promises

Quite often are not fulfilled.
Why?

Because they do not have
The necessary perseverance,
Their way of seeing the truth
Is not clear

And their goal itself
Is unclear.

~

When I make a promise I make
friends with truth. But when I
keep a promise my existence
becomes another name for
truth.

~

Power's promises Can never be
taken seriously. Love's promises
Are doubtless fulfillments.

~

Each new generation Is a new
and illumining Promise-Smile of
God.

~

A divine promise Is the pioneer
Of earth's newness-life.

~

What I need Is a spark of hope.
Then promise Will come by
itself.

~

Each life reminds us Of yet to be
fulfilled God-promises.

~

Harmony is the morning sun
rising within, with all its
promises.

~

Keep your soul's promise If you
really want to be A choice
instrument of God.

~

The highest promises Come
from the soul To determine our
earthly lives.

~

My soul is the author of my God-
fulfilment-promises.

~

Because my soul Is a soul of
promise, My life Is a life of hope
And my heart Is a heart of
peace.

PROMISE

*Each human mind is an encouraging idea. Each human heart is an illumining experience.
Each human soul is a fulfilling promise.*

On our birthday, the soul renews its promise to God, and the members of its family — the heart, mind, vital and body — also renew their promise to God. The soul has made conscious promises to God, and the members of its family have made unconscious promises. But there is only one promise that they all make: God-fulfilment — God-fulfilment in the body, in the vital, in the mind, in the heart and in the entire being.

Question: Do all souls make the same promise in essence when they enter the earth arena?

Sri Chinmoy: No! Before entering into the earth arena, each soul makes a special promise, and it has to fulfil that promise in a special way before it leaves the world.

Question: How can a soul tune itself more quickly, more purposefully and more consistently with the harmony of the Supreme?

Sri Chinmoy: The soul can tune itself to the harmony of the Supreme provided the soul is constantly conscious of its promise to the absolute Supreme. What is its promise? Its promise is God-revelation and God-manifestation on earth. God-revelation is necessary for earth's inspiration and aspiration. God-manifestation is necessary for Heaven-realisation and Heaven-perfection on earth.

Question: Is the soul's promise prophetic?

Sri Chinmoy: No! The soul's promise can easily be delayed or destroyed if the darkness of the undivine body, vital or mind becomes extremely strong. Even if the soul's promise is very powerful and very sincere, in most cases it is affected to some extent by the unruly members of the soul's family. Quite often it happens.

Question: When does God show us what work we must do?

Sri Chinmoy: God shows us what work we must do if we can soulfully promise to Him that our work will be nothing but an extension of His divine Manifestation. Then He is bound to show us our work. But if our work is an expansion of our ego, God does not recognise us. At that time we are nothing but strangers to Him.
